Product description As the immediate predecessor to the equally successful C-3PO -- but one he wasn't completely made of metal -- R2-D2 is a diminutive astromech droid who has faithfully served C-3PO and his friends ever since they were first built. Little did they know that their trusty companion would soon be in danger of being lost for good. Get ready to experience a retelling of the story that has captured the imagination of millions of fans across the galaxy. Meet a new face -- of sorts -- as you play the starring role in a tale of discovery, adventure, and self-discovery. Experience the era when Star Wars was first born. Bring R2-D2 to life. Look and move the way he would in the Star Wars films. And, of course, see what other adventures he and C-3PO might have in store for you. It's time to see what's next in the universe of Star Wars: R2-D2! Publisher's Description "If I'd known you'd end up being so interesting, I would have programmed you differently." - C-3PO Thanks to his masterful observations, wisdom, and long-suffering patience, R2-D2 has become one of the most recognizable and
