## Rulers Of Nations Crack 430 Nocrd

This week we look at the Chromecast, the Fire TV Stick and how to make a DIY casting box. Plus other tech news. After you've spent an hour or two scouring the internet, chances are you've discovered several different ways to cast your favorite apps and content to your TV from your smartphone, tablet or laptop. With the coronavirus sweeping the country, the country's newest tech gadgets are all being put through their paces to make sure they're reliable and easy to use. So it's likely you'll need a new router at some point to stay online. We took a look at the routers the industry's best thought leaders and thought leaders are recommending in 2020. Check out our look at the Top 10 Tech Buys of 2020. PlayStation Plus If you're a PlayStation Plus subscriber, the New Year brings new video games to play on your console. From Dec. 10 to Dec. 31, you can play the following games free: Drive Club, The Witness, Might and Magic: Heroes, Death and Taxes, The Tomorrow Children, Monster Hunter Generations, Stardew Valley, All Tomorrow's Parties, LittleBigPlanet 3, Ultimate Marvel vs. Capcom 3, Dark Souls III and Blade Runner: Black Lotus. And just as they've done for the past several years, you can download all those games for a mere \$10. The cost for annual service is still \$60. If you want to save a little money, you can get the first year of service for \$40. If you've already purchased the first year of service, you can add a second year for \$20. Nintendo Switch Nintendo's new console has finally arrived. And if you're like most people, you're probably itching

---

to pick it up at some point. But where to start? While you should always go for the priciest version of a game, this price guide will show you the lowest price for each game released.

So you'll know how much you're spending if you preorder.

You can also check out our list of the best games on the Nintendo Switch. Apple TV Apple was scheduled to release two new Apple TVs in 2020. Instead, it's finally announcing that both the 4K and the standard Apple TV will be available at the same price. \$179 is a better price than you'll find for either Apple TV by itself. For the first time, Apple is selling the new standard Apple
