• Wondershare Dr.Fone Toolkit for iOS is a user-friendly and reliable piece of software designed to provide you with an easy means of recovering data from your Apple device, with just a few moves of your mouse. • The program is quite simple to install and handle, meaning you can start working with it immediately, so you will be able to regain access to the data on your iPhone, iPad or iPod in just moments. • Wondershare Dr.Fone Toolkit for iOS offers you two recovery methods, namely 'Recover from iOS Device' and 'Recover from iTunes Backup File', whichever best works for your situation. • In the case of the former, you need to connect your device to the PC and the application will scan its contents, providing you with a preview and allowing you to choose which items you wish to recover. This solution can be used if you have experienced trouble with your iDevice following an iTunes update, a botched jailbreak operation or other similar events. • As for the latter option, 'Recover from iTunes Backup File', you can retrieve 'Messages', 'Contacts', 'Photos', 'Notes' and many other types of information simply by using a backup file. These are generated automatically every time you connect your device to the computer and iTunes performs a synchronization operation, but it can also be done manually. • Using this method, Wondershare Dr.Fone Toolkit for iOS instantly detects and loads the compatible files, allowing you to choose the one you want to work with, then press the 'Start Scan' button in order to retrieve the relevant data from it. Once you have identified the items you need, you can press the 'Recover' button and save them to your PC. This way, you can regain access to your personal details, even if you no longer own the device, for various reasons, such as it being broken or stolen. • Wondershare Dr.Fone Toolkit for iOS is reliable and efficient application that can be used to quickly recover data from your iDevice, enabling you to only retrieve the information you need, saving you a lot of trouble and effort in the process. • Wondershare Dr.Fone Toolkit for iOS Full Screenshot: ?
